A motivated post-graduate in Computer Science and Engineering equipped with a solid foundation in computer science principles and practical skills acquired through competitive programming, academic, personal projects, and comprehensive training on web development. Now seeking a position as a software engineer in a challenging environment to make the best use of my skills with continuous learning opportunities.

EDUCATION

M. Sc. | 2021 – 2022

Islamic University, Bangladesh

Major – Computer Science & Engineering.

CGPA – 3.15

B. Sc. | 2015 – 2021

Islamic University, Bangladesh

Major – Computer Science & Engineering.

CGPA – 3.04

PROJECTS

SkillUp

An Online Educational Course Management System that is a robust and user-friendly full stack web application designed and created using the MERN stack, which will easier the way institutions, tutors and students interact, learning and class management will be more efficient and accessible.

Tech Stack: Tailwind.css, JavaScript, React.js, Node.js, Express.js, Mongo DB, Firebase, JWT.

AlterWhite

A web application for Alternative Product Information System which is designed and created using MERN stack. AlterWhite allows users to create account, browse, post queries for alternative product and others can comment their recommendations and many more.

Tech Stack: Tailwind.css, JavaScript, React.js, Node.js, Express.js, MongoDB, Firebase, JWT.

Krafti

A web application for Wood and Jute Craft Store. Features: Browse items, filter, add to favorite etc.

Tech Stack: Tailwind.css, JavaScript, React.js, Node.js, Express.js, MongoDB, Firebase.

SKILLS

Languages: C/C++, JavaScript.

Frameworks: Tailwind.css, React.js, Node.js, Express.js.

Others: HTML, CSS, Git, Github, MongoDB, JWT.

Familiar: Data Structure & Algorithms, Basic OOP concept, MySQL.

Problem Solving: Experienced in problem solving Using C/C++. Solved more than 600 problems in different online judges.

COMPETITIVE PROGRAMMING

- Participated in more than 100+ online programming contests.
- Participated around 5 national and regional programming contests including:
 - ACM ICPC Dhaka Regional Programming Contest 2018.
 - SUST IUPC 2017, 2019.
 - NSU Cybernauts 2018.

CERTIFICATES

- [Complete Web Development Course by Programming Hero \(30/12/23 – 02/07/24\).](#)
- [ACM ICPC Dhaka Regional Programming Contest 2018.](#)
- [BACS Regional Programming Camp 2017.](#)
